AUDITOR'S REPORT

To the Members of
Rocky View Regional Handibus Society

I have audited the statement of financial position Rocky View Regional Handibus Society as at December 31, 2010, and the statement of operations and statement of cash flows for the year then ended. These financial statements are the responsibility of the Society's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Society as at December 31, 2010 and the results of operations for the year then ended, in accordance with Canadian generally accepted accounting principles.

ROCKY VIEW REGIONAL HANDIBUS SOCIETY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2010

1. NATURE OF OPERATIONS

Rocky View Regional Handibus Society (the "Society") is a non-profit organization that provides transportation for special needs children and seniors in Central Alberta. The Society is incorporated under the Alberta Societies Act and is exempt from income tax under the provision of section 149(1) of the Income Tax Act . The continued operations of the society are dependant of the on-going financial and other support of its sponsors.

2. SIGNIFICANT ACCOUNTING POLICIES

The society's accounting policies and the standards of it's disclosure are in accordance with the recommendations of the Canadian Institute of Chartered Accountants, except as follows:

i) Cash and restricted cash consist of cash on hand and funds on deposit.

ii) Capital assets are recorded at cost. The Society provides for amortization using the declining balance method at rates designed to amortize the cost of the capital assets over their estimated useful lives. The annual amortization rates are as follows:

Automotive	30%
Office furniture and equipment	20%
Computer equipment	30%
Computer upgrades	100%
Leasehold improvements	20%

One half the normal rate of amortization is recorded in the year of acquisition and no provision is recorded in the year of disposition

iii) Revenue recognition

The Society follows the deferral method of accounting for contributions. Restricted contributions are recorded as revenue in the year in which the related expenses are incurred. Deferred Capital Contributions are recognized as revenue over the estimated life of the related asset using the declining balance method. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Fee for service, user fees and other income revenues are recognized on a completion basis.

iv) Contributed services

Volunteers contributed time to assist the Society in carrying out its programs. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

3. BIG HILL SENIOR CITIZENS ACTIVITIES SOCIETY

The society took over the operations of the Big Hill Senior Citizens Activities Society (BHSCAS), also known as "Cochrane Handibus", in September 2010. 	<hr/>
	\$ 196,488
	<hr/>

4. MEASUREMENT UNCERTAINTY

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of such estimates in future periods could be significant.

5. RESTRICTED CASH

Restricted cash-Casino is comprised of casino funds contributed for the specific purposes of acquiring and maintaining capital assets. Restricted contributions is the unspent portion of a restricted contribution from Community Initiatives Program-Operating Grant.

	2010	2009

Cash - Restricted contributions	57,000	124,591
	<hr/>	
	\$ 58,206	\$ 155,716
	<hr/>	

6. FINANCIAL INSTRUMENTS

The Society's financial instruments recognized in the Statement of Financial Position consist of cash, accounts receivable and all liabilities. The fair values of the financial instruments approximate their carrying amounts due to the short term maturity or current market rate associated with these instruments.

The society manages its exposure to risks associated with financial instruments that have the potential to affect its operating and financial performance in accordance with its risk management policy.

Credit risk is the possibility that parties may default on their financial obligations. The society manages its credit risk by maintaining its funds in a major Canadian financial institution. Accounts receivable risk is managed by assessing the credit worthiness of customers where material amounts are involved.

Liquidity is the risk that Rocky View may not be able to meet a demand for cash or fund obligations as they come due. The society manages this risk by monitoring cash requirements and maintaining adequate funds in a major Canadian financial institution.
