Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion .

Opinion

In my opinion, these financial statements present fairly, in all material respects, the financial position of Rocky View Regional Handibus Society as at December 31, 2014, and the results of its operations and its cash flows for the year then ended, in accordance with Canadian Accounting standards for not-for-profit organizations.

Rocky View Regional Handibus Society (the "Society") is a non-profit organization that provides transportation for special needs children and seniors in Central Alberta. The Society is incorporated under the Alberta Societies Act, on August 27 1980, and is exempt from income tax under the provision of section 149(1) of the Income Tax Act. The continued operations of the society are dependant of the on-going financial and other support of its sponsors.

2. ACCOUNTING POLICIES

The society's accounting policies and the standards of it's disclosure are in accordance with the Canadian accounting standards for not-for-profit organizations.

Cash and cash equivalent

Consist of cash on hand and funds on deposit.

Capital assets

Capital assets are recorded at cost. The Society provides for amortization using the declining balance method at rates designed to amortize the cost of the capital assets over their estimated useful lives. The annual amortization rates are as follows:

Automotive	30%
Office furniture and equipment	20%
Computer equipment	30%
Leasehold improvements	20%
Scheduling software	20%

One half the normal rate of amortization is recorded in the year of acquisition and no provision is recorded in the year of disposition

Revenue recognition

The Society follows the deferral method of accounting for contributions. Restricted contributions are recorded as revenue in the year in which the related expenses are incurred. Deferred Capital Contributions are recognized as revenue over the estimated life of the related asset using the declining balance method. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Fee for service, user fees and other income revenues are recognized on a completion basis.

Contributed services

Volunteers contributed time to assist the Society in carrying out its programs. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.
